WHATS HAPPENING

Elite Group Quarter 2: 2019 Newsletter

Elite Group awarded - "Utax Solutions Partner, 2019."

We are extremely proud to have been awarded **UTAX Solutions Partner 2019**. Through our hard-work and dedication to change the ethos of print management solutions, this award brings us a step closer to achieving our mission - to become the UKs #1 Supplier.

ANOTHER FOUR SCHOOLS CHOOSE ELITE

Elite has recently helped another four schools achieve a more sustainable solution by working together to highlight areas they can reduce spend, increase privacy and efficiency and help make each school run a little greener.

UNCONTROLLED PRINT

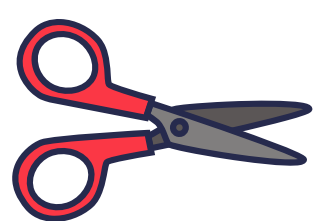

Co-Op Academy Bebington had a very expensive and over specified print room as well as 60 desktops draining their crucial funding. Elite helped them get out of this toxic environment and created a more efficient solution that met their specifications and requirements, dramatically reducing their costs and stress.

ESCAPE DEADLY LEASE

Kirkham & Wesham Primary school were tied in to a ruthless contract. Elite came in with complete transparency and with their years of experience recognised the deadly flaws in the contract which were instrumental in getting the contract cancelled. **Allowing the school to walk away early without any charges! Which was a fantastic result.**

AT A GLANCE:

- Elite wins another award!
- x4 more Schools choose Elite
- Environmental focus improves schools print system
- Elite rolls out the referral rewards scheme
- x4 customers receive their Vouchers
- Elite move in to their new purpose built office
